

DRUG & ALCOHOL INFO POP-UP

GUIDE for public libraries

A guide to implementing the Drug & Alcohol Info Pop-Up in your community.

Drug & alcohol info Pop-Up

GUIDE FOR PUBLIC LIBRARIES

The Drug & Alcohol Info Pop-Up is an interactive information display providing access to quality drug and alcohol information for the community.

The display:

- provides people with up to date and accessible information about drugs and alcohol
- identifies support networks and agencies within the local community
- provides people with discussion points around drug issues in our community

The display stand provides access to a range of printed information about alcohol and other drugs from Drug Info, NSW Health and other health agencies.

The interactive component includes:

- Drug Fact Finder tablet display with drug facts and trivia questions
- Know Your Standards standard drink educational pouring and display kit
- events and activities

The information in this toolkit is developed and provided by Drug Info, State Library of NSW and is a guide to implementing the Drug & Alcohol Pop-Up in public libraries.

Drug Info provides up-to-date information about alcohol and other drugs via a dedicated website and through local public libraries in New South Wales. Drug Info is a partnership between the NSW Ministry of Health and the State Library of NSW.

Info Pop-Up program

The Drug & Alcohol Info Pop-Up is a travelling interactive information display providing access to quality drug and alcohol information for the community. The Pop-Up is provided to NSW public libraries on a rotational basis.

The display period will be between 2-3 weeks in duration, in negotiation with the host library.

Host library requirements

By agreeing to host the Drug & Alcohol Info Pop-Up the host library agrees to:

- check the crate and display stands on arrival at the host library and notify Drug Info of any damage
- place the pop-up in a secure area of the host library
- store the crate in a secure, clean and dry area
- promote the info pop-up as widely as possible, using press releases and promotional material from Drug Info
- keep a door count for the display period
- run a minimum of two events or activities during the display period
- count attendance figures, including school groups and numbers attending related activities and events, and provide these to Drug Info for reporting to NSW Health
- keep track and report on information resource material distribution during the display period
- take photos of the pop-up in situ and provide these to Drug Info for reporting to NSW Health
- complete an evaluation at the end of the display period
- send Drug Info copies of any media coverage.

Program outline

During the display period the host library is required to display the interactive stands in their library and run a minimum of two events or activities in their community. Resources are included for pop-up events and/or satellite displays in branch libraries.

The Drug & Alcohol Info Pop-Up program is based on the Know Your Standards and Know Your Drug Facts programs for public libraries. More information on these programs is available on the Drug Info website.

Additional ideas for events and activities are available in the *Drug Info Activity Booklet*, which is supplied to libraries hosting the pop-up display.

Reporting and evaluation

The Drug & Alcohol Info Pop-Up is an evaluated program and host libraries are asked to complete an evaluation at the end of the display period Pop-Up installation using the online form:

p1snsw.wufoo.com/forms/drug-and-alcohol-info-popup-evaluation-form/

Evaluation measures used for the Pop-Up include:

- number of programs and events delivered around the interactive information display
- number of promotional material and information distributed
- number of visits to the host library during the display period (door count).

Delivery and pick-up of Pop-Up

The info Pop-Up will be delivered to a nominated address by courier. At the end of the display period the host library will repack the display into the supplied crate and it will be picked up by courier (arranged by State Library staff). A set of forwarding address labels will be supplied.

Drug & Alcohol Info Pop-Up components

The Drug & Alcohol Info Pop-Up consists of:

- An iPad stand plus an iPad loaded with the Drug Fact Finder. This stand is powered. An extension cord and iPad plug are supplied.
- A pull-up Drug Info banner
- Standard drink educational pouring and display kit
- Know Your Limits beer goggle kit
- Big Night Out board game
- Drug Info mocktail aprons
- Drug Info activity booklet

Information resources and promotional material will be sent to your library in a separate delivery.

You will also be provided with a range of printed information about alcohol and other drugs from Drug Info, NSW Health and other health agencies for display on the Pop-Up.

Drug Fact Finder

The Drug Fact Finder is an interactive tablet-based display featuring introducing interesting facts about different drugs. The Drug Fact Finder features:

- Colourful images

Reporting

IMPORTANT! Don't forget to fill in an evaluation at the end of your Pop-Up installation. Please use the online form:

plsnsw.wufoo.com/forms/drug-and-alcohol-info-popup-evaluation-form/

This form allows you to include images, which we may include in publications such as reports to NSW Health and on our website, and on our social media channels.

Please note that any images received will be attributed to your library and include a caption of the event. We understand most libraries now have consent to release photos for use in print and social media. When you send your photos you are agreeing to them being used in print and social media (online). If you do not want photos to be used online please do not send them. We look forward to receiving and sharing your photos

Hosting checklist
